CUSTOMER

A customer is anyone who purchases at least one product from an Ambassador's replicated Reign Pads website.

INDEPENDENT AMBASSADOR OR WHOLESALER AMBASSADOR

Upon joining 6Star, you have the option to join as an Independent Ambassador or a Wholesaler Ambassador. Everyone is required to pay an enrollment fee of \$50 (plus taxes and fees), which includes your replicated website (.jewelpads.com) and your back-office (.6star.us) to track all your sales and volume. The ambassador links are where you can market and sell products.

Below is the key difference between an Independent Ambassador and a Wholesaler Ambassador.

An Independent Ambassador is an individual that desires to grow their organization through team building. In addition, you are able to earn commissions from your personally enrolled downline and customer orders.

A Wholesaler is an individual who has the option to simply sell Reign products online and/or "hand to hand," but prefers not to benefit from team building.

100% of the volume counts for the Sponsoring Ambassador.

40% of the volume will count for the Ambassador's upline, up to infinity.

Way 5 UNILEVEL

Grow and develop your **Personally Enrolled (PED) team** to earn lifetime residual income. You can earn a monthly check from product orders and re-orders generated in your group, up to 4 levels deep (paid monthly). The minimum monthly purchase amount required to be considered active in 6Star is \$30 to earn a Unilevel payout. The amount of money you earn in commissions through the Unilevel payout on monthly subscriptions will be based on a percentage of the order placed by the Ambassador in your Unilevel, and the amount may vary.

The commissions for selling Reign Pads are paid from 1/3 of the total amount purchased by an Ambassador. We pay a total of 33% through 4 levels, based on 1/3 of the total amount (excluding applicable taxes and shipping charges).

The 33% will be divided accordingly up to 4 levels of the ambassador's upline as follows:

- Level 1: 16.5%**

Compensation **RULES**

1. As an Ambassador, you can only count 40% of your sales revenue for any given rank from anyone that you personally enrolled (PED) team, through infinity.
Example: If you want to achieve Diamond Rank, which requires 10,000 in volume, the most you can count from each of your PEDs is 4,000 in volume.
2. As an Ambassador, you must maintain a monthly autoship of a minimum of \$30 to be qualified to earn commissions. An Ambassador who becomes inactive (does not produce personal sales of 30 points or customer sales of 30 points) in a one-month period will stop accumulating commissions. An inactive Ambassador may begin to receive all commissions earned upon requalification. (Any missed commissions due to inactive status will not be paid.)
3. **Ranks are calculated starting on the 1st day of the month, and the calculations end on the last day of that month.**
At the beginning of each month, each Ambassador's volume resets to zero and begins to recalculate from the 1st day of that new month.
4. **THERE IS NO VARYING CV/BV. Volume is measured in dollars.**
\$1 spent = 1 point in volume (excluding tax) towards rank advancement.
5. **Actual income will depend on the amount of time and effort an individual devotes to their business and organization.**
